To whom it may concern,

My name is Timothy Guidry I am shift captain for St. Landry Fire Protection District Number One. I have two questions:

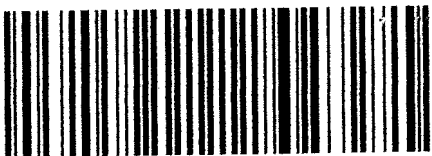

1. We have an entry level position that will need to be filled, my son has shown interest in wanting to become a fireman at this department. Will this be unethical for the department to hire him?
2. Our present chief has set a retirement date of December 2022. With that being said, if I am chosen for promotion to the fire chief position, will this affect my chances of the promotion due to my son being hired? Is there a time frame that he would need to be in this position before I would be confirmed as District Chief?

Respectfully yours

Timothy Guidry
